

Attacking the Gray of Advisors (James 3:13-18)
 #8 in the Series *Out of the Gray*
 October 23, 2011

Five True Lessons about True Wisdom:

1. True wisdom is practical insight with spiritual implications that come from God (3:13-14).
2. It is possible to be a true believer and choose not to live your life based upon the wisdom of God, but instead on the wisdom of the world (3:13-14).
3. Living your life on worldly wisdom produces worldly results (3:14-16).
4. Living your life on godly wisdom produces godly results (3:17-18).
5. In order to be truly wise, you must truly plug into God.

Plugging into God means...

- W illingly submit to God.
 I ntently want God's wisdom.
 S incerely ask for God's wisdom.
 E arnestly follow wisdom's way.
