

Wired to Worship
 #1 in the series *Come*
 March 13, 2011

What Is Worship?
 (Psalm 95)

- Worship is our whole-life response to what we choose to value most.

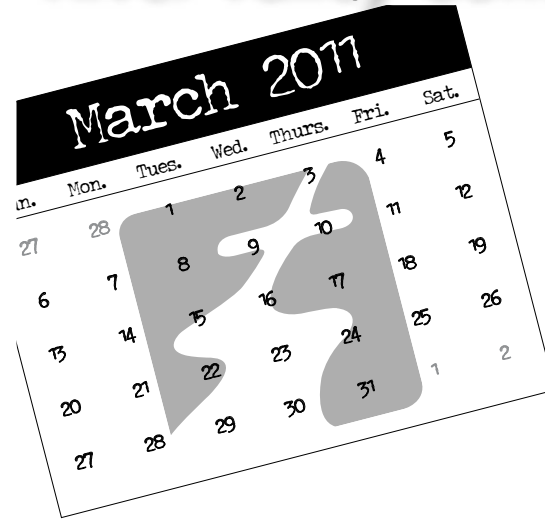

Why Should We Worship God?
 (Acts 17:22-28)

- Because God deserves your worship.
- Because you are wired to worship.
- Because your worship is the ultimate shaper of your life.

What Should We Do Now?

- Transfer your worship to the only one who deserves it.
- Learn to worship better.

River Valley Community Church
