Principles to Worship By:

1. The worship leaders provide the creative environment, but we must do the dramatic responding.
2. Worship is not about having any experience, but it is about experiencing God.
3. Worship is ultimately not about saying or singing what we believe, but it is about living it.

Two Questions:

1. Do you have a relationship with the Jesus we are worshipping?
2. Are you willing to make RVCC a dynamic worshipping church?
