Awesome Truths

(Mark 4:35-41)

There was a need for deliverance.

There was a way of deliverance.

There were results of deliverance.

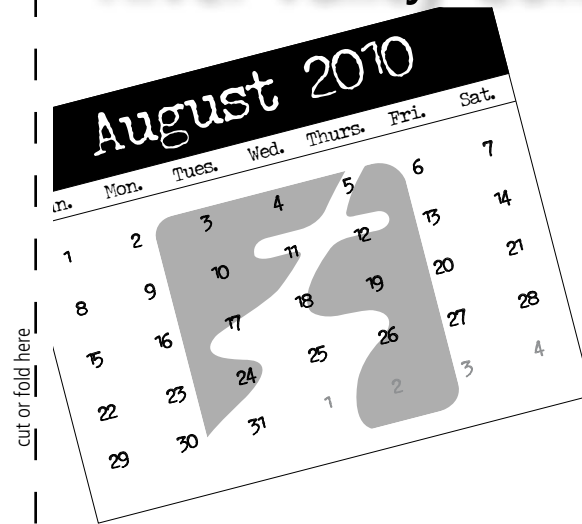

- The man was transformed.
- Some were disinterested.
- Some worshiped in awe.

Awesome Applications

1. Some people need demonic deliverance, so do it prayerfully, calmly, and confidently.
2. Satan wins when people are interested in anything more than Jesus, so expect that strategy more than possession.
3. Christians can't be possessed, but we can be picked on, so flee temptation and go intimate with Jesus.
4. Jesus is "way more awesome" than any supernatural power, so fear not.
