*Message #8: Using Reason and Rhetoric to Share  
(Acts 17:16–34; Isaiah 1:18)  
March 13, 2016*

- Use reason and rhetoric in conversations with contrarians.
  1. Begin on common ground.
  2. Move to the contextualized gospel.
  3. Make a clear invitation.
  4. Expect contrary responses.
- God will meet you in your exasperation of asking or answering.

## *Salvation Conversation Starters*

- “Why do you think every culture creates something to worship?”
- “Do you think I’m the only person with a deep ache for more?”
