

Season Killers: Taming Temptation 1 Corinthians 10:1–11:1

#4 in the Series
September 30, 2018

Warning to the Presumptuous: if your faith doesn't lead to obedience and holiness, it is not faith at all.

Encouragement to the Discouraged: if your temptation seems difficult, it is not too difficult.

- It is not unique.
- It is not unbearable.
- We tame temptation by trusting the faithfulness of God.
- We tame temptation by choosing what glorifies God.
